### CATEGORY

**NAT-CALMAG SUPPLEMENT** - NAT-CalMag is specially formulated with Marnite®, a source of high quality bioavailable Magnesium and Calcium. Marnite® is combined with Vitamin D to increase the absorption of Calcium. This formula will help the body maintain and build healthy bones. Calcium - an essential mineral plays an extremely important role in the general metabolism of the human body. It is essential for strong teeth and bones, muscles and nerve function. Fifty percent of magnesium found in the body, is founded in bone. The rest of this essentials minerals is involved in enzyme reactions, nerve functioning, muscle relaxing and maintaining healthy blood vessels.
