

PRODUCT DATA SHEET

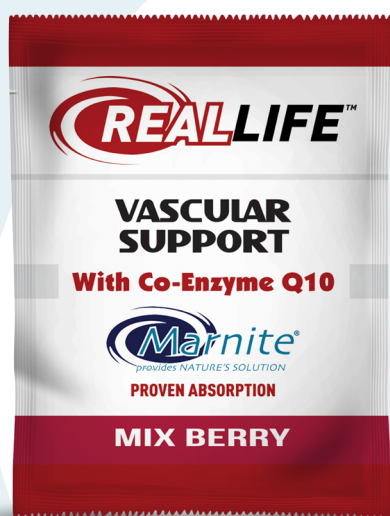

Vascular Support Sachets

PRODUCT RANGE

REAL LIFE CARDIO-ALL

The Real Life Cardio-All product grouping focuses on cholesterol lowering, hypertension, cardio and vascular support and systemic support.

PROPRIETARY NAME

PRODUCT INFORMATION

QUANTITY PER CONTAINER: 30 Sachets
FORMAT: Sachets
CONTAINER: 9g Sachet
PRESENTATION: Display Carton

APPLICATION

Vascular Support Sachet ingredient studies concluded that an influence on the cardio vascular system, cholesterol levels, heart health and increased collagen for elasticity of the vascular system, ingredients are:

- The substances Co Enzyme Q10, L-Carnitine, D-Ribose and Magnesium, have extensively been researched as individual and combined supplements in the cardiology of the heart, blood and blood vessels as well as muscle tissue and cells this combination is known as Dr Stephen Sinatra's "awesome foursome".
- Coenzyme Q10 is made naturally in the body, and it is needed in the chemical sequence that converts digested food into ATP.
- Carnitine is a nutrient that helps the body turn fat into energy, it is produced by the body in the liver and kidneys and stored in the skeletal muscles, heart, brain, and sperm.
- Inside cells, magnesium is most abundant in the mitochondria, all enzymatic reactions involving ATP require magnesium.
- D-ribose is a naturally occurring sugar.
- Oral dosage effects of Vitamin E on Cholesterol, it has been recorded there is a profound effects on cholesterol levels.
- Vitamin C a PubMed published study effect of vitamin C on serum lipids and electrolyte profile with a dosage of 200mg per kg body weight produced a significant decrease in total cholesterol LDL in the test group.

Vascular Support's calcium and magnesium content is a natural proven bioavailable substance. These two essentials minerals are involved in enzyme reactions, nerve functioning, muscle relaxing and maintaining healthy blood vessels.

SUPPLEMENT FACTS

AMOUNT PER SACHET	
COMPOSITION	QUANTITY
Marnite® Powder	1 000 mg
